

INVACARE® PERFECTO₂™ V
OXYGEN CONCENTRATOR

Yes, you can.®

The **Invacare® Perfecto2™ V oxygen concentrator** is an economical addition to the premier Invacare stationary concentrator line. This 5-liter concentrator is small, quiet and lightweight and comes standard with the **Invacare® SensO2® Oxygen Sensor**. The Perfecto2 V unit incorporates many of the best features of the Invacare® Perfecto2™ Concentrator, including its contemporary, patient preferred external design and color.

Features

Self diagnostic electronics minimize troubleshooting time.

Top handle for ease of mobility.

Battery-free power loss alarm, compressor 35 psi pressure-relief valve and low flow alarm.

Provider Benefits

Robust design comes standard with Invacare® SensO2® oxygen monitor to simplify preventative maintenance schedules and lower costs.

All Perfecto2 V stationary concentrators include a HomeFill system port for inventory flexibility.

Patient-accessible reset button helps minimize emergency service calls.

Patient Benefits

User friendly design with easy to see control panel, humidifier bottle holder and filter access.

Low noise level and neutral color help to blend into any home environment.

Reliable concentrator provides unlimited, worry-free refillable oxygen supply.

HCPCS Code: E1390*

1. Invacare® HomeFill® Oxygen System connection
2. HomeFill compressor and Ready Rack have been updated to coordinate with the Perfecto2 Concentrator. Use with Invacare cylinders
3. Easy to maintain filter (not pictured)
